

# School of Medical and Allied Sciences

Pharmacy  
ETE - Jun 2023

Time : 3 Hours

Marks : 75

## Sem II - BP204T / BPHT2004

### Pathophysiology Theory

Your answer should be specific to the question asked  
Draw neat labeled diagrams wherever necessary

- |     |  |            |
|-----|--|------------|
| 1.  | What is Electrolyte imbalance?   | K1 CO1 (2) |
| 2.  | Interpret the types of Inflammatory Bowel Disease.                             | K2 CO4 (2) |
| 3.  | Interpret the signs and symptoms of Alzheimer's disease.                       | K2 CO3 (2) |
| 4.  | List signs and symptoms of Hepatitis.  | K1 CO4 (2) |
| 5.  | Illustrate the sign and symptoms of Meningitis.                                | K2 CO5 (2) |
| 6.  | Name the causative agent, mode of transmission for AIDS.                       | K1 CO5 (2) |
| 7.  | Interpret the term Ischemia and Hypoxia.                                       | K2 CO1 (2) |
| 8.  | Define myocardial infarction.  | K1 CO2 (2) |
| 9.  | Explain the pathogenesis involved in Atherosclerosis.                          | K2 CO2 (2) |
| 10. | Define sickle cell anemia and thalassemia.                                     | K1 CO3 (2) |
| 11) | Organize the Chemical mediators and their role in the process of inflammation. | K3 CO1 (5) |

### OR

Construct a note on the process of wound healing. K3 CO1 (5)

- |     |  |            |
|-----|--|------------|
| 12. | Construct a note on Atherosclerosis? Explain the sign, symptoms and pathogenesis of Atherosclerosis. | K3 CO2 (5) |
| 13. | Build a note on Anemia. Classify anemia and pathophysiology of iron deficiency anemia.               | K3 CO3 (5) |
| 14. | Analyze epilepsy. Write classification of epilepsy and note on pathophysiology of epilepsy.          | K4 CO3 (5) |
| 15. | Examine the pathogenesis of Hypertension.  | K4 CO2 (5) |
| 16) | Examine depression.  | K4 CO3 (5) |

### OR

Examine Diabetes. Describe the types of diabetes and write the pathophysiology of type 2 diabetes. K4 CO3 (5)

- |     |   |             |
|-----|---|-------------|
| 17. | Estimate the difference between Apoptosis and Autophagy.    | K6 CO6 (5)  |
| 18. | Estimate the Pathogenesis of Rheumatoid arthritis and Gout. | K5 CO4 (10) |
| 19) | Construct a detail note on TB.                              | K6 CO5 (10) |

### OR

Construct a detail note on Syphilis and Gonorrhea. K6 CO5 (10)
