Semester End Examination - Nov 2023

Duration : 180 Minutes
Max Marks : 100

Sem V - D1UB501T - Aviation Rules and Regulations

General Instructions
Answer to the specific question asked
Draw neat, labelled diagrams wherever necessary
Approved data hand books are allowed subject to verification by the Invigilator

1)	Where is the headquarters of the Civil Aviation Regulations Authority of India located?	K1 (2)
2)	Outline the penalties or sanctions imposed on individuals or organizations for non-compliance with the Aircraft Rules in India.	K2 (4)
3)	Summarize the potential consequences of a passenger attempting to smuggle prohibited items on board and the countermeasures to prevent such incidents.	K2 (6)
4)	Suppose you are an airport security manager. Describe the measures you would implement to prevent and respond to potential unlawful acts of interference in aviation at your airport.	K3 (9)
5)	Identify the importance of flight crew training and proficiency checks to ensure flight safety.	K3 (9)
6)	Evaluate the strengths and weaknesses of the Aircraft Rules, 1937, in comparison to more recent aviation regulations, and discuss the potential areas for improvement.	K5 (10)
7)	Compare and contrast the liability limits and provisions of The Warsaw Convention, 1920, with those of the subsequent Montreal Convention, 1999, highlighting the improvements and changes in passenger protection.	K4 (12)
8)	Assess the significance of The Rome Convention, 1952, in establishing a legal framework for the international carriage of goods by air.	K5 (15)
9)	Appraise a contingency plan for aviation operators to respond to emergencies and unforeseen events, taking into account the requirements and guidelines specified in the Aircraft Rules.	K5 (15)
10)	Design a model protocol for international cooperation among different countries in handling hijacking cases, taking into account The Tokyo Convention Act, 1975, and The Anti-Hijacking Act, 1982.	K6 (18)
