Duration : 90 Minutes

Max Marks : 50

Sem VI - E1UP601T - Creativity Innovation and Entrepreneurship

General Instructions

Answer to the specific question asked

Draw neat, labelled diagrams wherever necessary

Approved data hand books are allowed subject to verification by the Invigilator

- 1) How does environmental stimuli influence creativity? K2 (2)
- 2) What innovative ideas can we explore to enhance employee engagement? K1 (3)
- 3) Define disruptive innovation. K2 (4)
- 4) How do you encourage creative collaboration within a team? K2 (6)
- 5) What is the difference between entrepreneurship and small business management? K3 (6)
- 6) How do you approach finding innovative solutions to complex problems? K3 (9)
- 7) In a quaint village nestled in the mountains, there was a renowned artist known for his stunning landscape paintings. However, the artist faced a creative block and struggled to find inspiration for his next masterpiece. Determined to overcome this obstacle, he embarked on a journey through the mountains, seeking out hidden vistas and secret trails. Along the way, he encountered local villagers who shared their stories and legends about the land. Inspired by their tales, the artist discovered a newfound appreciation for the beauty of his surroundings. He returned to his studio with a renewed sense of purpose and began painting a series of breathtaking landscapes that captured the essence of the mountains and the spirit of the people who called it home. What initially prompted the artist to embark on a journey through the mountains? How did the local villagers contribute to the artist's creative rejuvenation? K4 (8)

- 8) Discuss the role of creativity and innovation in shaping the future of technology. Analyze the potential challenges and opportunities that may arise as technology continues to evolve. K4 (12)

OR

Discuss the impact of globalization on entrepreneurship, considering both opportunities and challenges for aspiring entrepreneurs in a globalized economy. K4 (12)
