- 1) Which industrial or a company whose expenditure on machinery and plant does not exceed Rs. 25 lakhs. K1(2)
- 2) Explain Mid-Rung Entrepreneurs. K2(4)
- 3) Explain the factors that contribute to entrepreneurship in any country. K2(6)
- 4) Identify the features and benefits of social entrepreneurs. K3(9)
- 5) Identify the main features of collecting capital for new enterprise. K3(9)
- 6) Case-Muhammad Yunus Another name commonly associated with social entrepreneurship is Muhammad Yunus. Armed with the belief that the poor should have access to basic banking services and a fierce desire to see his vision through, Yunus established the Grameen Bank in the country of Bangladesh in 1983. What the Grameen Bank set out to do was to provide small loans to those living in poverty so that they would be able to become financially self-sufficient. Rather than operating like most banks or lenders, the Grameen Bank requires no collateral from its borrowers. Critically evaluate what is a type of social entrepreneur in above case and its characteristics. K5(10)
